The Hollywood Entertainment District in partnership with the Hollywood Arts Council is seeking submissions for an LA artist to create artwork for 10 utility boxes along the world-famous Walk of Fame! The chosen artist will receive a \$2,000 stipend for final designs. Artwork will be installed on 3M vinyl and must be original, Hollywood-specific work.

We encourage all artists to visit the site locations for inspiration! Take in the sights and sounds of our neighborhood. Click [here](#) to download a map of utility box locations.

**Guidelines:**

- The theme of each project must include "Hollywood". Be inspired by the city, its history and future!
- NO Cartoon Images or Graffiti work of any kind will be considered.
- Mediums may include Painting, Text Art, Illustration, Photography, Collage.
- Selected artist will receive \$2,000 for compensation for final designs submitted as Illustrator files with the correct resolution/specs for the printer for all 10 utility boxes.
- Utility Boxes will have the Hollywood Entertainment District and Hollywood Arts Council logos placed on each as an identifier.
- Though not mandatory, we're looking for interactive art. Think: the next art that people want to photograph themselves with and share! This tourism capital deserves art that the people will want to share!
- The scope and placement of the logo will be worked out with the selected artist to not disrupt the selected design.
- Artwork will be printed on 3M vinyl and will be professionally installed.
- Exhibition will be for a minimum of one year.

**Click [here](#) to apply.****Deadline:** Submissions will be accepted until midnight on Friday, July 29th, 2016.
